Forwards the resolution of the Municipal Council
Dated 30-3-1953 proposing enlargement
of the Establishment of the Revenue Section
in view of the increased work — Requests
Sanction to the appointment of extra staff
for a period of one years from 1-4-53 on
first instance

In view of the increased area and work in the municipality and to improve the Collections the Municipal Council proposes to appoint the following extra Staff — two Revenue Inspectors three Bill Collectors, two Accountants and two peons — the annual extra cost amounting to about Rs 4333/- The appointments are proposed to be made for a period of one year in the first instance

2) The D C B Statement of the Municipality for the quarter ending with December 1952 shows that there are heavy arrears outstanding Viz Rs 4,84 517/- and the Collections are Comparatively poor It may therefore be perhaps necessary to have the extra staff recommended for some time and watch the progress in the Collections

3) The Budget Estimates of the Municipality have not yet been Sanctioned It is stated that provision in the Budget Estimates has been made to meet

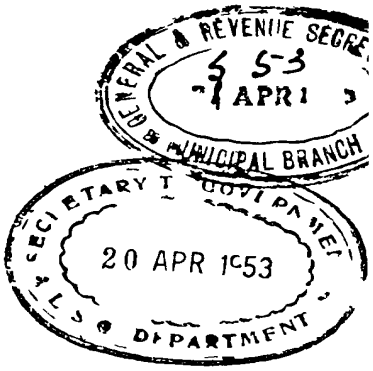
Mysore Dated 15th April 1953

From

THE PRESIDENT
CITY MUNICIPAL COUNCIL
MYSORE



To

The Secretary to Government,

Sir,

Enlargement of the Revenue Section

I write to state that the collection staff of the Revenue Section of the Municipality as sanctioned at present consists of six Revenue Inspectors, 17 Bill Collectors and 6 Mohalla Accountants, the allocation of work thereof being as noted below -

Mohallas	No of Revenue Inspectors	No of Bill Collectors	No of Accountants
Fort & Krishnaraj	1	4	1 (Fort & Nazarbad)
Chamaraj	1	2	1
Devaraj	1	3	1
Mandi	1	3	1
Lashkar	1	4	1
Nazarbad	1	1	1(Krishnaraj)
	6	17	6

The staff was sanctioned long back when the area of the city was about 9 to 10 sq-miles The city has grown of late very widely and there have been development of extensions in Devaraj, Chamaraj and Fort Mohallas and as many as 11 extensions have newly come up since 1945-46 The distances from one corner to the other of these extensions is in no case less than 4 miles The annual mohatarfa taxes also have at present risen to Rs 4 lakhs from hardly 1½ lakhs that was being recovered when the present staff was sanctioned The Revenue Officer brought to notice that the present staff is quite inadequate for attending

to the collection work satisfactorily and also to attend to the correspondence relating thereto

The question of enlarging the staff was considered by the Budget Managing Committee in the context of the redistribution of the city into 40 divisions as notified in Government Order No L 17800-CM/32-52-7 dated 17/19-1-1953 issued under Gazette Extraordinary During the course of discussions it was decided that there might be 8 Revenue Inspectors at one for each of the 5 Divisions of the city and that there might be 20 Bill Collectors, one for each of the 2 Divisions of the City and that there might be one Accountant one for each of the five Divisions of the city For this allocation of work among the staff as enlarged, there will be an increase in the staff by two more Revenue Inspectors with one peon for each of them, and three more Bill Collectors and two Accountants The above proposal having come up before the Budget Meeting of the Council at their meeting held on 30-3-1953 the Council have approved of the proposals for a period of one year in the first instance from 1-4-1953 In enclosing herewith a copy of the resolution of the Council as also the necessary proposition statement in triplicate in this behalf, I request that orders of Government may kindly be obtained for sanctioning the enlargement of the section to the extent detailed in the resolution and also worked out in the proposition statement Necessary provision has been made in the Budget Estimates of the Municipality for meeting the increased expenditure in this behalf In view of the fact that there has been a good lot of arrears of revenue yet to be collected and the work relating to preparation of Baki-patties and taking further action for prompt recovery of the arrears is ~~in~~ heavy ~~arrears~~ in the section, action has been taken to make the above appointments temporarily, pending formal sanction of Government to the extra staff recommended to be sanctioned I request that action taken may kindly be ratified while obtaining the orders of Government

Yours faithfully,

Subject - Enlargment of Revenue Section

With reference to your letter No L 8692 dated 21-10-53 on the subjected mentioned above, I enclose herewith a revised proposition statement prepared in accordance with rules

Adequate provision will be made in the revised budget for the current year, to meet the extra expenditure on account of this temporary additional establishment The establishment pay bills relating to temporary establishments which are awaiting final sanction of Government, are being admitted in audit after obtaining the permission of the Controller, State Accounts Departments, Bangalore, month after month This is resulting in belated payments and inconvenience to the staff concerned The Controller State Accounts Department, Bangalore, has been requested to continue to admit the establishment pay bills, pending sanction of Government, with a view to avoid inconvenience to the staff concerned

In these circumstances I request that orders of Government may kindly be obtained and communicated sanctioning the entertainment of this additional temporary establishment at a very early date
